ImageSoft Again Named One of Metro Detroit’s 101 Best and Brightest Companies to Work For

SOUTHFIELD, MI (August 28, 2009) – For the third consecutive year, ImageSoft, Inc., a leading provider of innovative technology solutions to automate, streamline and improve workplace processes, has been recognized by the Michigan Business and Professional Association (MBPA) as one of Metropolitan Detroit’s 101 Best and Brightest Companies to Work For.

MBPA will honor the winning companies at an awards ceremony on Thursday, October 29, at the Dearborn Inn in Dearborn. The companies were chosen based on independent research that evaluated each in the following categories: communication, community initiatives, compensation and benefits, diversity and multiculturalism, employee education and development, employee engagement and commitment, recognition and retention, small business, recruitment and selection, and work-life balance.

“This award is particularly meaningful because it is an endorsement of our company, not only from the business community, but from ImageSoft team members, in setting a standard of excellence and excelling in human resource practices,” said ImageSoft, Inc., President Scott Bade. “We are pleased and proud of this recognition and grateful to all our team members who helped ImageSoft earn it.”
